I. Minister

The minister is in charge of the service and must approve all elements of the wedding service. Pre-marital counseling with your minister is encouraged before the wedding. The scheduling of this consultation will be done with the minister. Please call the church office at least six (6) weeks before the wedding to make an appointment. Both the bride and the groom should be present at this conference.

All worship services are under the supervision of our minister. If you would like another minister to assist in the wedding, please contact our minister who will discuss this with you and issue the appropriate invitation to the visiting minister. Please furnish the visiting minister's name, address, and telephone number to the church office as soon as possible.

II. Music

THE MINISTER OF MUSIC

Arrangements for the music to be used must be made in consultation with the Minister of Music. An appointment may be made with him as soon as possible after scheduling your wedding and no later than three (3) months before the wedding. The wedding ceremony is a sacred service as well as an act of corporate worship. Therefore, only music which conforms to standards of dignity and is theologically appropriate may be used. **Taped music may not be used.** The Minister of Music will offer you suggestions of appropriate music, if you wish. All music to be used in the wedding ceremony must be approved by the Minister of Music.

THE ORGANIST AND/OR PIANIST

The Minister of Music is responsible for coordinating the music for all weddings held in the building of Riverchase United Methodist Church. It is required that our church organist be used for your wedding, if available. Should the organist not be available, you may select an organist, who must be approved by the Minister of Music. You may secure your own pianist, with the approval of our Minister of Music. It is important that the pianist have sufficient musical skills. Financial arrangements with the organist and/or pianist are your responsibility.

THE SOLOIST

The Minister of Music can recommend a qualified soloist for you, or you may select a soloist for yourself. The soloist should make rehearsal arrangements with the organist or pianist. **Taped accompaniment may not be used.** It is important that any soloist you select have sufficient musical skills so that the rehearsal can be completed in a single session with the organist. Financial arrangements with your selected soloist are your responsibility.

III. Sound

If you require the use of amplification for the ministers or soloists, the church's sound system is available for use. Arrangements should be made for use of this equipment. The church will provide a trained technician for the rehearsal and the wedding for a fee of \$75.00.

IV. Wedding Director

The Wedding Director serves as a liaison between the bride and the church. Therefore, the services of a church appointed Wedding Director is required. She will assist the Bride in planning her wedding service and is directly responsible to the Bride and the Bride's mother within the confines of church policies. She works closely with the ministers and organist, and is available to answer any questions that you may have concerning your wedding. She will acquaint you with the rules of the church and with the facilities available. The Wedding Director is vitally important. She works with the minister and the wedding party both at the rehearsal and at the wedding and is responsible for attending to the details of the wedding to assure that the entire event takes place in as reverent and gracious manner as possible. There is a \$300 fee for the services of a Wedding Director.

All trash should be taken to the dumpster prior to leaving the facility.

VI. *Photographer*

Pictures may be made before and after the service, but no pictures may be made during any part of the actual wedding service, as this constitutes an interruption in the service of worship. Flash pictures may only be taken as the couple leaves the church, but the photographer may not enter the Sanctuary for these pictures.

It is recommended that as many pictures as possible be taken PRIOR to the wedding ceremony.

The church building will be available to you for two (2) hours before the wedding. The photographer may begin taking pictures at that time. All photography equipment must be removed from the Sanctuary at least 30 minutes before the wedding is to begin.

You should notify your photographer that one picture (8 X 10) of the bride is to be given to the church for our records.

It is your responsibility to insure that the photographer understands and abides by these policies. Should any problems arise about conforming to these guidelines, a conference should be called between the bride, the wedding director and the photographer. If a photographer should fail to abide by these rules, that photographer will not be allowed to participate in future weddings at Riverchase United Methodist Church.

It is necessary to keep the path between the two halves of the altar rail free of any obstructions (i.e. potted plants, flowers or greenery). The use of containers other than those provided by the church will be allowed only in consultation with the Wedding Director. Paper-mache containers that can be seen are not acceptable.

Candles and candelabra are to be furnished by the bride. Suitable material (non-flammable) must be used to protect floors and carpets from candle drippings, even though dripless candles must be used. The facilities must be left in the same condition in which they were found.

The Flower Girl may drop silk petals on the aisle. Live petals may not be used. Sprengeri (asparagus fern) **CANNOT** be used in any of our buildings.
